The teams complete their development and work on the demonstrator / presentation
Shared area + Aud 1

10.00

Presentation of the results to the industrial and academic coaches
Aud 1 - Plenary session

11.30

Lunch break
Cafeteria

2nd Nordic Blockchain Summit

Friday 18 August 2017
Lundbeckfond Auditorium

13.00

Welcome
*Mads Nielsen, Head of department, DIKU
Fritz Henglein, Director, HIPERFIT*

Welcome and information
*Omri Ross and Boris Düdder, DIKU,
Summer School organisers*

13.10

Case presentations
Mærsk, Nordea, Nets and a Joint Case

13.50

Startup Cases
NEPCon, Chainalysis and Densou

14.30

Break and Voting session

15.00

Panel Discussion: Blockchain Innovation - who does it best? Companies, start-ups or universities?
*Ewan MacLeod, CDO, Nordea
Jan C. Plenge, Senior Vice President Digital Innovation, Nets
Professor Fritz Henglein, Dept. of Computer Science, University of Copenhagen
Michael Gronager, CEO, Chainalysis*

16.00

Trophy Award Ceremony: Best solutions to Use Cases of established Companies and Startup Cases

16.30

Reception at the premises outside the Auditorium

BLOCKCHAIN
SUMMER SCHOOL

including
2nd Nordic Blockchain Summit

14 - 18 August 2017
University of Copenhagen, Denmark

An Initiative of
the European Blockchain Center
